Bio:

Robin Villarreal: “I have been actively involved in the Idaho Falls Ski Club since the late 80’s. I did Ski Fest and Membership Chairman for many Years off and on. I jumped in this past year as part of the Ski Sale. I love that the Sale proceeds directly benefit area skiers and boarders. Being involved with the youth of the community during the Sale made it even more worthwhile. Even though winter is not my most favorite season, it’s to get out and enjoy the outdoor activities that our area provides. I would appreciate your support to be elected as the IFSC President.”

Ryan Jacobson: I live in Idaho Falls with my wife and two-year old daughter and am an attorney here in town. I grew up in Ogden, Utah, spending as much time as possible on the slopes. I have always loved the outdoors, and being on the mountain snowboarding is one of my favorite things to do. I spent my childhood snowboarding primarily at Powder Mountain. In high school, I started spending many of my winter weekends in Park City. However, once high school ended, my schedule suddenly became busier and my wallet thinner. It has been many Years since I have consistently been on the slopes. I have been on ski trips here and there, but I am thrilled to finally be in a position to actively pursue the sport. I am e__cited to be a part of the Idaho Falls Ski Club to help out where I can and become involved in the community. I look forward to having fun participating and getting to know club members while helping grow the sport.
