

The Membership Chair (MC) interacts with members and potential members providing information about the Idaho Falls Ski Club (IFSC) and the benefits of joining. The MC manages sales, membership cards, and forms for sales at local vendors and for membership drives during the Fall Social and the Ski Sale and Fest. The MC also coordinates with the Treasurer for money collected during the sale of memberships. The MC designs the membership cards and Membership Application forms and orders their printing. The MC oversees the entry of membership data into the IFSC database. The MC reports on membership numbers to the Board.
